SUBJECT: Annual Asbestos/Lead Workshop
Galvez Building I Conference Center, C-110 and C-111
Thursday, April 29, 2010

DATE: September 3, 2009

The annual LDEQ Asbestos/Lead Workshop will be held on **Thursday, April 29, 2010**. Registration will begin at 8:15 am. The applications/ question and answer workshop will begin at 8:30am.

This year, the Annual Asbestos and Lead workshop will be the same as last year's workshop. The first portion of the workshop will be the information presentation. Following this portion, we will have a break, then begin the break out areas where a person can learn how to complete an application or notification, and ask questions.

The 1st portion of the workshop will begin at 8:30 am, and will consist of a presentation overview of the programs and any newly promulgated regulations changes or proposed changes (Chapter 51 regulations promulgated (tentatively) April 20, 2010, and any proposed regulations, etc).

The 2nd portion of the workshop will begin following the presentation and will consist of breakout sessions to instruct persons on how to complete applications for Lead & Asbestos: Accreditations, Notifications (AAC-2s for Asbestos and LPF-3s for Lead), ADVF Addendum forms, training course scheduling, Asbestos Management Plans, etc. The forms will be available on site. **Please send those persons whose job requires them to complete these documents. This person is not necessarily the Contractor/Supervisor. It may be an Office Manager or other job title for your company.**

The workshop will be held in the Galvez I Building Conference Center located at 602 N. Fifth Street, Baton Rouge, LA 70802 (see enclosed directions). You may park at the Galvez II parking garage (across the street from Galvez I) and **bring your parking ticket for validation**.

This workshop is being held at no charge to attendees, and no pre-registration is required. However, please try to arrive at least 15 minutes early so that you may register on-site.

Members of the LDEQ Permit Support Services and Surveillance Divisions Asbestos and Lead staff, will be available to answer any questions you may have.

Please see the link for the LDEQ Asbestos and Lead web page where you may find the most current information on hurricane specific documents, accreditation and notification forms, Accreditation lists for each discipline, Training Provider and Trainer lists, landfill lists, etc: <http://www.deq.louisiana.gov/portal/tabid/2883/Default.aspx>.

Should you have any questions, please contact Mia Townsel, Supervisor, at (225) 219-1665. Please pass this announcement to co-workers and other parties that may be interested in attending this workshop.
